2020 DIVIDEND

TASTING NOTES

Dark, deep and rich. This beautiful blend has both power and elegance, surprising you with every sip. Aromas of juicy red strawberry, licorice, and freshly chopped fennel burst from the glass, while notes of black cherry and raspberry leaf tea are accentuated on the palate by a juicy acidity and soft tannins.

FOOD PAIRINGS

Into The Mystic by Van Morrison

FIELD REPORT

Our Bordeaux inspired red blend is the most perfect expression of what this vintage has to offer, artfully crafted utilizing fruit from both our Okanagan Falls and Southern vineyards. The heat from the warmer growing conditions down south offers a richer fruit profile, while the cooler climate in Okanagan Falls encourages elegance and finesse. Older vine age and naturally low cropping levels result in small, concentrated clusters full of flavour.

WINEMAKING

Dividend is truly a wine made with an artist's mindset. All the varietals are picked, fermented, and aged separately, spending 16 months in French oak. Each individual barrel is tasted and like the many colors that make up a piece of artwork, each varietal brings something bold and fresh to the table — creating a blend that is so much more than the sum of its parts.
